Monday 20th April 2026

Dear Parents/Carers

Welcome back to you all, the students had a very positive first week back at school with everyone settling back into the routine and enjoying the benefits the warmer weather brings.

It is with much sadness that I write to you at this time and let you know that one of our students in KS4, Eliza, died during the Spring break following a short illness. This is a difficult and upsetting loss for our school community, and our thoughts are with Eliza's family at this very difficult time. We are finding ways to remember Eliza in school through her favourite things and songs. Please reach out to us if you need any support for your young person or yourself, grief affects everyone in different ways, being there for each other is essential. We have a short social story we can share with you if it would be useful to support your young person at home.

Family Swim

Monthly family swim sessions are back now the Spring is here. We have sent out the date for this month and this one is now full. There will be dates advertised for May, June and July so look out for these.

Kind regards

Katie Denton
Headteacher

Dates for your Diary

Coffee mornings with Carol

DATE	TIME	Theme	LOCATION
