Dear Parents/Carers

We are now at the end of our penultimate half term of the school year! It has been action packed, as usual, with many exciting learning opportunities in school and the local community as well as collaborative events. Here are just a few to mention:

- BMX bike sessions at Beckenham place park
- 6th Form students completing their AQA accreditation assessments
- Student on both sites accessing the mobile climbing wall
- Showcasing our school at it's very best in our Quality Assurance Review with Challenge Partners - you can read our report [here](#) on our school website
- Well attended coffee mornings with lots of parent insights and discussion on LGBTQ & YP with SEN and transition to Adult Social Service
- Glade students have been Learning outside the classroom in the local community and loving it!

Transition Event - Thursday 11th June

We will be holding our annual transition event at Mayow Road. This is the chance for you to come and find out specific information about when your young person will transition from children to adult teams for Health, Social care and education as each service has different age thresholds from 16 onwards. This event aims to make sure you are fully informed on each aspect of your young person's access and entitlement to the different services. This event is open to parents/carers from the other secondary Lewisham special schools so please let any friends or groups you are in know they are very welcome to attend.

Wishing you all a very restful half-term break and hope you are able to enjoy the warmer weather

Kind regards

Katie Denton
Headteacher
