Tuesday 23rd June 2026

Dear Parents/Carers

As you will be aware we are experiencing extreme weather this week during the heatwave, with exceptionally high temperatures predicted until at least Thursday. The Met office have issued a severe weather warning across the UK.

In school we are doing our best to keep classrooms as cool as possible, there are some areas in the school where we have air conditioning, and we are ensuring that classes access these spaces at various times during the day.

We have discussed interim arrangements with the school kitchen and they are looking in to whether they can provide any suitable cold lunch options for the hottest days, Wednesday and Thursday.

During this week, please do what you feel is best for your child. If you can keep them cool at home and think they will be more comfortable and regulated, please do so and let the school office know. We will mark any absence as circumstantial, which will be an authorised absence, due to the weather.

Kind regards,

Katie Denton
