## What is Project SEARCH Supported Internship?

- » A one-year programme running from September to July, five days a week, Monday to Friday.
- » The programme is designed to help you get a full time paid job.
- » You will spend your day on the host employer site. You will complete three work placements called rotations. Each rotation lasts for 10-12 weeks.
- » You will have coaching and support from the onsite college lecturer, job coach and department managers.

## What will you get out of Project SEARCH Supported Internship?

- » You will gain the skills, support and experience needed to get a paid job and keep it in a real work setting.
- » You will get the chance to take part in a variety of work placements.
- » You will develop more independence, confidence and improved self-esteem.
