February 2019

Dear Parents and carers,

I just wanted to write a quick note alongside this letter about the expansion on to the Mayow Road Site. We are really excited about the potential this creates for our school community. This gives us real opportunities to develop our provision and to design a building that enhances our teaching and learning opportunities for our young people. We want to work closely with you throughout the process keeping you informed of what is happening. We value any comments or suggestions regarding the expansion whilst offering you assurances that we will still maintain our high standards of provision and education at the Waters Road site.

The open day in March will provide members of our school community and the Mayow Road Community to learn a little more about what lies ahead.  
You are all very welcome to attend.

If you have any concerns or comments regarding any of this please do not hesitate to contact myself or the Project Team at Lewisham.

Kindest Regards

Lynne Haines  
Headteacher.
